

Gen 2 Commercial Cleaning is committed to Occupational Health & Safety Management (OHS) by providing a safe and healthy working environment for all staff and contractors.

The Company will achieve this by:

- ✓ Developing and maintaining hazard control procedures.

- ✓ Understanding the commitment to eliminate work related injury or illness.
- ✓ Ensuring that the OH&S system is appropriate to the nature of the required business activities.
- ✓ Encourage a professional and safe working environment for clients and general public
- ✓ Training and developing all staff and contractors building OH&S awareness and teaching safe work practices.
- ✓ Developing and maintaining communication of OH&S Policy and IMS to all employees and contractors.
- ✓ Regularly reporting and reviewing the OH&S Policy to ensure continued effectiveness and sustainability.
- ✓ Complying with all relevant industry statutory legislation including associated regulations and other applicable requirements.

The **OHS Management System** applies to all activities of the company, and has been developed in accordance with *AS/NZ Occupational Health and Safety Management System ISO 4801, NSW Work Cover – Health and Safety for Cleaning Contractors, NSW Work Cover First Aid Guide and Work Cover NSW Risk Management Guide.*

This Policy will be clearly displayed at each cleaning site and head office. The Managing Director will sign each copy to confirm commitment.
